| Guardian would prefer a location close to the Roanoke area but is willing to look elsewhere. | Supported Living (Apartment) Sponsored Home Group Home |

| | |
|--|---|
| <p>Individual would prefer to remain in Roanoke City or Roanoke County. Individual and guardian not opposed to relocating.</p> | <p>Sponsored Home Group Home Preferable provider with familiarity with brain injury. Also need experience with working with individuals exhibiting extreme aggression.</p> |
| <p>Roanoke, VA Salem, VA</p> | <p>Group Home ICF/MR Will need 24 hour awake staff in a quiet neighborhood,2-3 housemates and a private bedroom.</p> |
| <p>Harrisonburg, VA Bridgewater, VA</p> | <p>Group Home Needs 24 hour awake staff.</p> |
| <p>Roanoke Vinton Bedford (West end of the county toward Roanoke)</p> | <p>Sponsored Home Group Home 24 our awake staff in a quiet environment, no more than 2-3 room mates, would prefer a private bedroom, social and recreational activities need to be planned for him, he is non-verbal and staff would need to use his communication dictionary, requires supports with ADL's and IADLs but toilets and eats independently, enjoys outdoor activities and socializing and visiting with others.</p> |
| <p>Lynchburg</p> | <p>Group Home Will need 24 hour awake staff. Diagnosed with Severe Intellectual Disability. Minimal support with ADLs and IADLs.24 hour awake staff, small group home with peers who share his same interests, medical, dental, psychiatric and behavioral support. Close supervision when in the community to ensure his safety.</p> |

| | |
|---|--|
| <p>Roanoke Franklin County Rocky Mount</p> | <p>Sponsored Home Group Home He will require 24 hour awake staff due to medical and behavioral needs. Moderate supports with ADLS and IADLS,</p> |
| <p>Roanoke Salem</p> | <p>Supported Living (Apartment) Group Home She will need 24 hour staff and would prefer a private bedroom and 4 or less housemates, preferably female. She needs activities to be planned for her as well as assistance with hobbies and encouragement to spend leisure time well with others. She enjoys playing the keyboard and dancing and community outings. She will need some physical support with ADLs and IADLs and will also need visits with her family including overnight visits. She is ambulatory and is able to walk and climb stairs easily. She communicates with gestures and vocalizations.</p> |
| <p>Roanoke Salem Hillsville area-only if services cannot be identified in Roanoke or Salem.</p> | <p>Group Home This young man will need 24 hour awake staff. He has a diagnosis of severe ID. He is very sociable and will do well with 3-4 housemates who he can talk to. He has some language and also has a communication dictionary. Provider would need to have a wheelchair accessible van or a vehicle that can transport his wheelchair if he is in a regular seat with a seatbelt. Requires a two person transfer and also a manual wheelchair for medical or dental appointments when sedation is used.</p> |
| <p>Roanoke, VA Lynchburg, VA</p> | <p>Sponsored Home Group Home 24 our awake staff.</p> |
| <p>Salem Roanoke</p> | <p>Group Home A quiet rural setting would best suit this young man with a deck and a large yard. One level home with 24 hour awake staff and no more than 2 housemates.</p> |
